ROOMS

Cahernane House Hotel boasts 48 luxurious bespoke guestrooms, each features decadent wallpaper, plush headboards, original antique furniture, beautiful sash windows, and elegant mouldings. All of our guestrooms are reserved for your wedding guests. 12 of our guestrooms are located in the original Manor House and 28 in our luxurious Garden Wing. Situated in a stand-alone building that is adjacent to our Manor House, our former Coach House is home to 8 luxurious bedrooms.

A romantic wedding reception setup on a balcony. The scene is bathed in warm, golden light, likely from the setting or rising sun. In the center, a small round table is surrounded by four gold Chiavari chairs with white cushions. A vibrant red carpet is laid out on the balcony floor, leading towards the table. The table is adorned with a bouquet of white flowers. To the left and right of the table, there are tall, slender vases filled with white flowers. In the foreground, two ornate, lantern-style light fixtures with white candles inside are placed on the red carpet. The balcony has a glass railing, and through the glass, a lush green lawn and trees are visible. The overall atmosphere is elegant and intimate. The text "WEDDING PACKAGES" is overlaid in the center of the image in a white, serif font.
